Here are a few things you should know:

Camp Philosophy – In keeping with the spirit of the YWCA mission, we are dedicated to creating an environment of friendship and acceptance. We will not tolerate physical or verbal bullying, acts of hatred, intolerance or anything that harms another child. No weapons, drugs or alcohol are permitted on camp transportation or camp property.

Absence/Illness – Please call/text the camp **201.327.3137** if your child will be out of camp for any reason. For the welfare of your child and the other children in the group, your child must be kept home if they appear ill or has been ill during the night. If your child is injured, becomes ill (fever, vomiting, diarrhea, etc.) or has symptoms of a communicable disease (pink eye, lice, strep throat, etc.), the EMT or Camp Directors will contact you to pick them up immediately. A child must be free of all symptoms for 24 before re-admission to camp. If a child sees a doctor for an infection/ illness, they must bring a note from that doctor stating they may return to camp.

Camper Security Pre and Post Camp – Children are to be escorted and signed into pre-camp each morning by a parent/guardian. Each child must be signed out of post-camp each evening. It is our policy that the person dropping off or picking up your child is at least 18 years of age and is designated on your release form.

Parents/Guardians must come into the program to physically sign children out. We cannot release a child unless an authorized person can come into the program to sign the child out. Parents/guardians must inform the Camp Directors in writing, in advance, if someone other than the parent/guardian will be picking up. If the pick-up person is not listed on the child's emergency data form and we have not been notified by the parent/guardian, the Camp Directors will not release the child and a telephone call will be made to the parent/guardian. We require parents/guardians to continue to show identification until the Camp Director and staff become familiar with parent/guardian. This step is taken for the safety of the child.

Morning Bus Procedure – Children and parents/guardians must be at the bus stop at the time indicated on the bus schedule. You must sign in your child with the bus counselor and stay with your child until the bus leaves. The bus counselor will stand at the entrance to the bus and children will state their name so the bus counselor can take attendance as children enter the bus.

Afternoon Bus Procedure – Parents/guardians should be at the bus stop on time. The bus counselor will exit the bus and stand at the bus entrance. Children will be released to parents/guardians as they exit the bus. Parents/Guardians must sign the children out and ID must be shown. It is our policy that the person picking up your child is at least 18 years of age and is designated on your release form.

We do require that parents/guardians show identification until the bus counselor becomes familiar with the parent/guardian. This step is taken for the safety of the child. YWCA Bergen County Camp Ma-Kee-Ya will not assume responsibility for a child after the child has been signed out with the bus counselor. YWCA Bergen County Camp Ma-Kee-Ya has no responsibility or involvement with any arrangements for transporting a child home from the summer camp program or for babysitting of a child. YWCA Bergen County staff is prohibited from signing a child out of program.

Bus Rules – Children must obey the bus rules. Failure to comply with the rules may result in termination of enrollment.

- Children enter the bus and take a seat
- Seatbelts must be worn at all times
- Everyone must be seated until the bus comes to a full stop
- Food or drink is not permitted on the bus
- Fighting, pushing, shoving, yelling or any negative behavior is not acceptable
- Hands (and all other body parts) stay in the bus at all times – no hanging out the window
- Rude, obscene or intolerant language or gestures are not acceptable
- Defacing any part of the bus is not acceptable

Transportation Emergencies – In case of changes or emergencies that would affect campers' pick-up or drop-off times or locations, the Camp Directors or designee will contact the main office at the YWCA Bergen County. The School Age Program Manager and Camp Directors will place phone calls/send emails to every camper's parent/guardian affected by the emergency or change. The bus camp counselors will remain with the campers until picked up by parents/guardians or emergency person or until the emergency is resolved (i.e. another bus is provided if a bus breaks down or does not show up). Ridgewood and Dumont bus campers will remain inside the building until the emergency is resolved. In the event that this occurs, Camp Ma-Kee-Ya's Directors and the main office of the YWCA Bergen County will be notified.

We ask for your patience during the first few days of camp as bus drivers acclimate to our schedule. Please make sure to review our bus rules with your child.

Late Fee Policy – If a child is left at camp/post camp/their designated bus stop beyond the designated pick-up time, a \$25.00 late fee per child will be charged for the 1st and 2nd occurrence. If we are unable to contact a parent/guardian or the emergency contacts 15 minutes after said pick-up time, the Police Department will be called to assist in locating a parent or guardian. If the child is left for over an hour without notification from a parent/guardian, DCP&P will be called. A 3rd late pick-up incurs a \$50.00 late fee per child. More than 3 late pick-ups may result in removal from camp. Please understand, your child's safety is our first priority.

Anti-Bullying Policy – In keeping with our mission to promote acceptance and tolerance for all people and in order to keep all the children in our programs safe, YWCA Bergen County in accordance with its discipline policy, cannot allow any child in our program to hurt or be hurt by others. This can include physical, emotional, or verbal actions. The YWCA Bergen County has instituted the following policy:

- Any incidents of the above behaviors will be brought to the attention of the Camp Directors. Each incident will be handled on a case-by-case basis. All disciplinary actions will be in accordance with the YWCA Bergen County Discipline Policy and will be done so in an age appropriate fashion.

The local police department and the Department of Child Protection and Permanency (DCP&P) will be notified if any child is found to be in possession of a weapon or anything identified as or used as a weapon. Further action will be under the advisement of the above agencies and the YWCA Bergen County administration.

Camp Safety/Personal Property Policy – Weapons, drugs, alcohol, animals, personal sports equipment and vehicles are strictly prohibited during transportation and at our camp. The use of/or possession of alcohol, drugs or weapons by staff or campers is strictly prohibited. Staff and campers are prohibited from using personal sports equipment and must use equipment furnished by the camp. Staff are prohibited from using their personal vehicles to transport campers. Animals are prohibited from camp grounds with the exception of service animals for campers with disabilities and petting animals that may be brought in by a company for a special event. Should any camper or staff be found with any of the above, termination of enrollment or employment will be immediate.

Discipline Policy and Removal from Program Policies – It is the YWCA Bergen County's goal to educate camp participants and instill in them the ability to self-discipline. Misbehavior is seen as a chance to educate a student about appropriate behavior. It is understood that all children require firm and consistent limits and that no child will be permitted to endanger them self, others, or to damage property. It is the policy of the YWCA Bergen County to use appropriate physical restraint only when absolutely necessary for the welfare of the child or the protection of life and property. Clear and consistent guidelines are presented to children so that they are aware of their responsibilities and can be held accountable for their behavior. Children whose needs, abilities and values vary are treated in such a way that recognizes these differences. Occasionally there may be times and reasons we must expel/suspend a child from our program. Before we would reach such a situation, we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced.

Some examples of unacceptable behavior include but are not limited to:

Disrespectful/Intolerant words or actions	Use of foul language by child or parents/guardians
Consistently ignoring program rules	Disrespect to staff or other children by a child or parent/guardian
Failure to complete required forms	Leaving program area without permission
Bringing a gun, knife, etc. to the program	Habitual tardiness when picking up child.
Failure to pay tuition and/or late pick up fees	Parent/Guardian or child exhibiting verbal abuse to staff in front of enrolled children
Physical aggression on part of a child or parent/guardian	

Discipline will be administered as soon as possible and will be consistent with the severity of the problem. Should there be an infraction of the rules, the following consequences will occur:

1. Verbal Warning - We remind children of appropriate behavior.
2. Five Minute Time Out - This gives a child a break to cool off.
3. Ten Minute Time Out - Again a cooling off period and chance for re-direction. Staff will inform parents/guardians at pickup.
4. Written Note - Student writes a note to parent/guardian explaining behavior. This allows the student a chance to separate from the problem and cool down. It also forces the child to review the situation from start to end. Child will give the written note to the parent/guardian in the presence of staff.
5. Removal – Parents/guardians are called and asked to pick up the child immediately. This happens in rare cases where a child's actions are detracting from the safety of the group. If this removal is permanent the parents/guardians will have the opportunity to meet with the Manager of School Age Programs to discuss.

Fighting or intentional physical aggression for any reason will result in immediate jump to #5. In order to return to camp, the parent/guardian and child must meet with the Camp Directors and/or the Manager of School Age Programs.

A child will not be expelled if the parent/guardian:

- Made a complaint to the Office of Licensing regarding the program's alleged violations of the licensing requirement.
- Reported abuse or neglect occurring at camp.
- Questioned the Camp Directors regarding policies and procedure.

YWCA Bergen County will not tolerate any parent/guardian reprimanding, punishing or verbally threatening any child on our premises. If there is a problem, you will be asked to leave immediately. The safety of all children in our care is our first priority.
